Read Me First – Indiana Medicaid & MCO's

Prescription Requirements

- Medicaid requires that the client have a face-to-face examination with their physician no more than 6 months prior to the written order for the speech generating device (SGD).
- The physician must document that the client was evaluated and/or treated for a condition that supports the SGD. This documentation (chart notes or office visit notes) must be provided along with the written order for the SGD.

Augmentative Communication System Selection – Medicaid Only

This form should be completed by a Speech Language Pathologist (SLP) and signed by both the SLP and Physician for all clients with IN Medicaid.

Prior Authorization Request Form

This form must be signed and dated by the Physician for all clients with IN Medicaid as well as any Managed Care Organizations.

OT Report or Letter

A licensed Occupational Therapist must write a report or letter that assesses the modes of accessing the device. The report must include the method of selection and a statement of the client's fine motor abilities as related to accessing the device, positioning and scanning. This information may be included in the AAC Evaluation if that document is signed by the OT.

PT Report or Letter

A licensed Physical Therapist must write a report or letter that assesses gross motor skills and any accommodations needed to access the device. This information may be included in the AAC Evaluation if that document is signed by the PT.
